

# Hand Sani Foam

Drug Identification Number: 02351935

**Active Ingredient:** benzalkonium chloride 0.1%

The use of this alcohol free hand sanitizer will decrease bacteria on the skin. Use it as a part of your daily cleansing routine.

**DIRECTIONS:** Pump a small amount of foam into the palm of the hand; rub thoroughly over all surfaces of both hands until dry.

**NOTE:** Avoid contact with eyes. In case of eye contact, flush eyes with water. Seek medical attention if irritation or redness develops, or if condition persists. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Centre.
